MEMORANDUM FOR: The Director

Dick:

As you know, my view had been to get the long-form letter to Mr. Aspin at an early date. On the advice of Mr. Hebert and Mr. Nedzi, however, we are now writing a short letter to Mr. Aspin with a long report to the Committee. The letter states that the investigation has been completed. Actually, there are still a couple of loose ends, and it seems to me the investigation of Messrs. Brady and Boyer for the House Foreign Affairs Committee is a part of the whole investigation, at least to determine that their conclusions are not incompatible with ours. So far I have seen no information which contradicts the substance of our letter to Mr. Aspin, but I recommend we hold the Aspin letter until our report is in better form and has been checked out with Brady and Boyer.

<p>Remarks: [Redacted] has been interviewed and identifies the man he saw as the same Ger Su Yang seen by Brady, Boyer, and McCoy. The speculation on Ger Su Yang's denial of the [Redacted] interview is that Vang Pao probably has instructed him never to talk about any of his CIA contacts. This will be discussed with Brady and Boyer when they return.</p> <p style="text-align: center;">[Redacted Signature]</p> <p style="text-align: center;">Lawrence R. Houston</p>
